Meeting and Elections

Welcome back everyone to another great semester with the SCEC. We have wasted no time getting back into the swing. We kicked off the semester with the Panther Palooza. Thank you SO much to all the people who volunteered their time at our table. We accumulated a nice list of students interested in our organization. We hope to see a lot of new faces this semester.

ALSO, coming up **Monday January 23 at 6pm** we are looking for volunteers to help out with **Tull House Bingo**. This is a great opportunity to meet some great people, have fun, and do something good for your community!

The Council for Exceptional Children

“The Council for Exceptional Children (CEC) is the largest international professional organization dedicated to improving the educational success of individuals with disabilities and/or gifts and talents. CEC advocates for appropriate governmental policies, sets professional standards, provides professional development, advocates for individuals with exceptionalities, and helps professionals obtain conditions and resources necessary for effective professional practice.” For more information or to become a member of the CEC go to <http://www.illinoiscec.org> .

Yep, its that time of the year again. The SCEC will be participating in the Polar Plunge held at Lake Sara in Effingham on Saturday March 3. We are freezing for a reason!

There will be more information at our meeting.

In the mean time check out [http:// www.soill.org/](http://www.soill.org/)

The SCEC is the student branch of the CEC at Eastern Illinois University. The EIU SCEC holds monthly meetings where important information is shared amongst special educators, including guest speakers. SCEC also holds special events where local residents from group homes around the area come and join SCEC for a day of fun- like ice cream socials, dances, crafts, and more!

* You do not need to be a national member (CEC) to be involved in the EIU SCEC

Reminders

Don't forget to pick up your certificates form last semester from the TMC!

Want to become a member of SCEC? Just come to our meeting, earn 8 participation points (explained in meetings), and attend at least one event. There are no dues or fees just a lot of great experiences!
